THE J.M. SMUCKER Co

Brewed Iced Coffee

Whip up a batch of iced coffee at home for you and your crew. This easy iced coffee recipe can be made using your favorite **Folgers**® roast or, if you need that pick-me-up extra-quick, our instant coffee. Either way, you get the taste that's loved by millions…on ice.

Prep Time	Cook Time	Serves	Difficulty

Ingredients

- 1/2 cup Black Silk Coffee
- -OR-
- 3 tablespoons

  Classic Roast Instant Coffee

- 3 cups cold water, divided
- Ice cubes
- (Optional) Sweetener
- (Optional) Creamer

Directions

Step 2: Brew coffee

BREW coffee using 1 1/2 cups cold water. Pour hot brewed coffee into a heat-safe pitcher.

Step 3: Mix add-ins

MIX in your favorite sweetener, if you like. Stir until dissolved. Stir in remaining 1 1/2 cups water. Add creamer, if using.

Step 4: Add ice

SERVE over ice and sip away.

Step 6: Brew coffee

DISSOLVE instant coffee in a pitcher of cold water.

Step 7: Mix add-ins

ADD sweetener and creamer, if using.

Step 8: Add Ice

SERVE over ice and sip away.
